- **Incredible food from the renowned chefs at Reata.**
- **Construction-skill games.** We are again partnering local architects and contractors to design and build interactive games for all skill levels. This year will feature several new challenging games.
- **Unique Live and Silent Auctions:** We are featuring over 300 interesting and one-of-a kind auction items, including power tools, of course!
- **Raise money for more Habitat Homes:** You have the opportunity to help us build even more Habitat homes in partnership with hard-working families in need of quality affordable housing. We have completed 327 homes in Tarrant, Johnson, Parker & Wise Counties—over 1000 adults and children are now living in a safe and decent home of their own—on terms they can afford to pay! We are completing 34 houses in 2008! Your support will help us reach our ambitious goal and help make more dreams come true.

Ways You can help:

- **Sponsor a table**—a table of 10 or more, where you and your guests are able to partake of great food, fabulous music, entertaining games & unique auction.

- **Help obtain auction items**—we need unique and fun Live and silent auction items for attendees to bid on throughout the evening.

- **Create a unique construction-themed game for party-goers-** your company or friends can create and build an interactive game to be played at the party.

- **Purchase a chance to win a NEW 2008 Infiniti G37 Coupe**—tickets are \$100 each. Winner will be drawn at the Bash.

- **Attend the bash!** Tickets are \$100 per person

All proceeds benefit Trinity Habitat for Humanity.
